

## Cameron's interview : maybe a future rugby legend ?

On Friday the 15<sup>th</sup>, in the English class, a rugby player named Cameron told us about him and his rugby team for an exceptional interview.

**DO NOT MISS IT !!!!**

First, the interview was cool and funny because Cameron said a lot of jokes but he didn't want to sit down. Then, everybody was interested. It was pleasant and interesting.

Now here's some information on Cameron :

He is 24 years old and he was born in Northampton in England. His name is Cameron Ring and he started rugby at the age of 12. Now, some responses to our questions :

**Journalist:** - Why did you choose rugby and not dance for example ?

**Cameron:** - I choose rugby because I love tackling.

*\*some laughs in the class\**

**Journalist:** - Haha ok ! Then... how did you feel when England lost ?

**Cameron :** - I was disappointed when England lost, they broke my heart...

**Journalist:** - I'm so sad for you... but now ... who's your favourite rugby player ?

**Cameron:** - It's Manu Tuilagi of course ! There isn't better !

**Journalist:** - Ok... now the last question ; How often do you train per week ?  
**Cameron:** - I train 8 times per weeks.

During the interview, I liked the moments when Cameron joked. It relaxed the atmosphere in the class and it was funny.

For my part, I haven't asked any questions because I'm shy, that's the other pupils who did it.
