

## Cameron's interview : A Rugby Legend ?

This Friday, November 15 Cameron came on classroom of 3F, he told us about Rugby .

The ambiance was funny. At the beginning he didn't want to sit down. After, everybody was interested. but I did not ask a lot of questions because I was shy.

He is 24 years old and he was born in Northampton in England. His name is Cameron Gregory Ring. He started rugby at the age of 12 years old.

**Journalist:** But why did you choose Rugby and not Dancing ?

**Cameron:** Because I like to tackle, sweat and it's like a family for me.

**Journalist:** Who is your favorite player ?

**Cameron :** My favorite rugby player is Manu Tuilagi.

**Journalist:** How often do you train per week ?

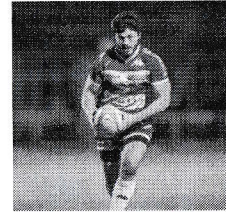

**Cameron:** I train eight times per weeks.

**Journalist:** How did you react when the England team lost ?

**Cameron:** I was disgusted and really sad.

**Journalist :** What is your position on the pitch ?

**Cameron :** I'm number 12.

My favorite moment was when Cameron told us about his personal life because we see him as a supervisor at

the university but we do not know his personal life.

I find Cameron very nice he speaks perfectly good English and it's very kind of him to have come in the classroom
